* Some classes start or end earlier or later; see individual class descriptions. Be sure to note class dates in your calendar.

PROGRAM NOTES

Parent/Guardian Responsibilities

By enrolling your child in an Enrichment class, you are responsible for the following:

- Knowing the dates that classes occur, including start and end dates
- Knowing the dropoff and pickup times for classes and, most importantly, ensuring your child is picked up on time (see "Dropoff and Pickup" at right).

Tutoring

If your student is participating in tutoring, remember that tutoring comes first.

Enrollment

- **Please register your student(s) online by starting at <http://tmlink.org/enrichment>**
- **See FAQ on second-to-last page**
- **Classes fill on a first-come, first-served basis.**
- Some classes require online or direct payment and registration with the vendor.
- You will receive confirmation – letter or email – that your child is enrolled in a class. **Please do not send your child to class without written confirmation of his/her enrollment.**
- If a class does not enroll sufficiently, it may be canceled. You will be notified and your fees refunded.

Waitlist policy

To ensure equal access to popular classes, registrants who are put on the waitlist up to and including 4 days after registration starts will be part of a lottery to determine waitlist order. Those who register 5 days after registration starts will be added in order. Continuing students in a sequenced course (i.e. beg, adv) will have priority.

Class Fee

Class fees are set by our vendors. This program does not generate profits for the PTA. Class registrations managed by the Thurgood Marshall Enrichment Program include a nonrefundable \$20 fee for administrative and financial aid costs.

Class Cancellation

There are no refunds or makeup classes when a single session is canceled because the District has altered that day's schedule through a late start or closure due to weather or other concern..

Getting to Class

Students are expected to transfer independently to an Enrichment class. Homeroom teachers are given a class list at the beginning of each session, but they are not responsible for delivering students to their Enrichment classes. If you think this may be a challenge for your child, please contact enrichment@tmlink.org and we will try to arrange a "student buddy" to assist your child.

Drop Off and Pickup

- Parents are responsible for collecting their children promptly from afternoon classes.
- There will be no supervision for children after their class ends.
- If prompt pickup becomes an issue, your student may be removed from the class without refund for remaining classes.
- No bus transportation can be offered for Enrichment Program classes occurring before and after school.

Behavior

At Thurgood Marshall, we have the expectation of respect for teachers/instructors and good behavior during classes. *Students are expected to maintain the same behavioral standards that they have during the formal school day.* If an instructor identifies a behavior issue, the following steps will be taken:

- At the first incident, the instructor will call parents/guardians regarding student behavior.
- The student will be given one trial class to improve.
- If the disruptive behavior continues, we reserve the right to remove the student from the class without refund for remaining classes. Please discuss enrollment with your child to be sure they want to attend a class.

Snack and Clothing

- Each child should bring a small, easy-to-eat snack on class days.
- Please send your children with clothing appropriate for their classes. Athletics and dance classes require loose-fitting clothes and closed-toe rubber-soled shoes. Art can be messy! Please bring an old shirt or a smock.

Scholarships/Financial Aid

Our intent is that all TM students have the opportunity to participate in our Enrichment Program. **Students who are eligible for the Free and Reduced Price Lunch program may enroll in an Enrichment Program class for 10% of the class fee (yes, a \$100 class is reduced to \$10!) using the SpringPups2017 code at registration. We are limited to only one class request per qualifying student per session.** The ability to grant aid is based on the amount of donation funds and by the generosity of vendors and instructors who offer scholarships in their classes. We reserve the right to grant or deny all requests for financial aid.

For questions, contact enrichment@tmlink.org.

ARTS & CRAFTS

The Art of Nature - a mixed media art series with kidsscreate.org

Grades K-5
Wednesdays
3:55-4:55 pm
\$170

Class size limit: 12
Meets 10 times

Come join us for this spring art series as we express ourselves through the art of nature. Projects will include large flower paintings inspired by Georgia O'Keefe, sculptural birds with paper mâché, hand painted eggs, rock insects and printmaking natural forms.

Instructor: **Ami Huja's** background in fine art and commercial photography has informed her understanding of the importance of self expression through art. This is a central value she brings to her work as an educator. As a teacher, being in tune with children's questions and interests constantly reinforces her respect of children as innate learners. With this respect and her flexibility and spontaneity she works to support an emergent curriculum. Meaningful education starts with natural curiosity and personal connection. Teachers lay the groundwork for learners to question, observe, share ideas and solve problems.

Meets 11 times

Work with a professional fashion designer and express your personal style! In our classes we will transform clothing and accessories with fabric paint, pens, and dye. Each day will introduce you to a totally new way of being creative with fashion! We will design our own last-day-extravaganza-celebration! Previous classes have done fashion shows, cupcake parties, and crazy hairstyle day. Returning students welcome – we have new projects for you.

Instructor: **Britt Ryneanson** designs a line of shawls and scarves under her label ARAE. She has created clothing lines in the past and has taught art and fashion to youth for over fifteen years. She also serves on the board of Coyote Central and has three kids at home. She loves working with the students at Thurgood Marshall!

Sponge, a leader in children's language education, is delighted to offer their Mandarin immersion language classes at Thurgood Marshall Elementary! Classes are designed to instill in children a love of language and culture, with a strong focus on developing comprehension and communication skills. Each lesson is taught completely in the target language, with a native-speaking teacher presenting new words and phrases through games, projects, activity sheets, songs and much more. While they are immersed in language and having fun, kids absorb practical vocabulary, build communication skills, and gain a greater understanding of, and appreciation for, other cultures. At end of the year, the children present a fun group performance for their families, all in language.

This year we are pleased to also offer a new **online portal** where children can practice language and play games at home!

Instructor: Staff from Sponge Language School.

Class size limit: 24
Meets 11 times

Kids will have the opportunity to learn to play their favorite songs and music on electric keyboards. Radio hits, movie and television themes are made so easy that our participants will be playing them after the very first class! The club is a combination of keyboard piano lessons and a music learning workshop, which uses a clever visual method to teach the basics of music reading and piano playing.

We've developed lots of learning games and activities designed to teach kids basic music reading skills and playing techniques, in ways that are fun, engaging, and stimulating. We want our students to stay motivated and continue to *want* to learn to play music, whether they like **Taylor Swift, Bruno Mars, Macklemore** or **Beethoven**. We have all the music they want. We have music from **Frozen, Stars Wars, Jurassic Park, Indiana Jones**, and lots more.

Each participant has his/her own keyboard supplied during the class, along with headphones, and books and other materials.

We will dig in the dirt, grow and taste edible plants, sing songs, hunt for helpful garden creatures, and make art as we learn about ecological connections and build cooperation skills.

Class will be held in the TM Learning Garden. When it is rainy, we will meet inside. Gloves and tools will be provided. Just bring a coat and permission to get a little dirty!

Instructor: Nicole Olszewski from Seattle Tilth has nine years of experience teaching children in the garden and teaches a garden class regularly at the TM YMCA. Nicole will work side-by-side with a Seattle Tilth Children's Educator.

Basketball with One on One

Grades 1-5
Thursdays
8:15-9:15 am
\$150

Meets 11 times

Join One on One Basketball at Thurgood Marshall Elementary for Before School Hoops®, an ideal introduction to the most dynamic sport in the world. Our instructors will not only teach your child athletic fundamentals through progressive drills, engaging cardio and fun competitions, but we will use these fundamentals as a platform to teach life-skill lessons that reinforce positive attitudes about effort, respect, cooperation and self-control. Before School Hoops® makes three guarantees: your child will learn, sweat and have fun!

Instructor: Stuart is well-skilled at numerous sports, but his first love is basketball. He takes pride in teaching the fundamentals to aspiring players of all ages. Stuart's experience working with children as young as 4 years old to coaching both boys and girls varsity teams and training collegiate-level athletes has allowed him to develop different strategies and nuances that are most effective for each group or individual player.

Intro to STEM with LEGO

Grades K-1
Mondays
3:55-4:55 pm
\$170

Class size limit: 16
Meets 10 times

Let your imagination run wild with tens of thousands of LEGO®! Build engineer-designed projects such as Trains, Helicopters, Tree houses, and Beam Bridges. Then use special pieces to create your own unique design! New and returning students can explore the endless creative possibilities of the LEGO® building system with the guidance of an experienced Play-Well instructor. There is no prerequisite for this course.

Instructor: Jade Watkins joined Play-Well in December of 2015, and is currently working on her Computer Science degree. Before Play-Well, Jade worked as a sewing enrichment instructor, but wanted to join a team where she could apply more of her university degree knowledge on a regular basis.

Online Enrichment Registration

FAQs:

How do I register my child? Go to tmlink.org/enrichment to start the online registration.

Where do I go for help or questions with online registration? For help with registration, please come to the library **Tuesday, March 14 at 9:45 am or Thursday, March 16 at 3:45 pm.** You can also email enrichment@tmlink.org.

Can I still register by paper form? Yes, but we are asking families with internet access to register online. Please know that we can only hold a few spots open in each class for paper registration, so the chances of getting into a class are greater with online registration.

Can I still pay by check? Yes, with paper registration form only. Please return form and check to the front office (not your child's teacher). We can only hold a few spots open in each class for paper registration, so the chances of getting into a class are greater with online registration.

How do I receive a Scholarship Discount? Students who are eligible for the Free and Reduced Price Lunch program may enroll in an Enrichment Program class for 10% of the fee by using a scholarship discount code at registration. **The online registration discount code is: SPRINGPUPS2017.** *Each qualifying student may take **one** class each session at the 10% discount. Students can take additional classes during that session by paying the normal fees.*

What does Active (which provides our registration website) do with my information?

From Active: "Parents have the right to consent to the collection and use of personal information from children under the age of 13 (collectively, "Children," and individually, a "Child") without also consenting to the disclosure of such information to outside third parties, except in order to provide the Services. Active does not share personal information collected from Children with third parties for any purpose other than to provide the Services."

Need help or have questions regarding online registration?

Please email enrichment@tmlink.org

ENRICHMENT PROGRAM REGISTRATION FORM

To ensure prompt registration, please register online at <http://tmlink.org/enrichment>

Alternatively, students can place this form and payment directly in the registration box on the front counter of the Thurgood Marshall front office (some classes fill quickly; sending the form back through classroom teachers may cause delays in registration). For registration questions, contact enrichment@tmlink.org. To register for **Karate, Spanish or Mandarin** you must register and pay online as described in the class listing.

Forms and payment are due by **Sunday, March 19, 2017**.
