

# 2017-18 Student Supplies Purchase

*The PTA has done the shopping for you!*

Thank you for participating in Thurgood Marshall's new approach to classroom supplies! No supply lists were distributed this year, because the PTA teamed with the school to order the needed items in advance, and in large quantities that save money.

Your \$40 payment per student in your family will cover all standard needs (except personal backpack and lunchbox), and part of the cost for families who are unable to pay.

*The PTA is committed to ensuring that every student has the pencils, paper and the many other classroom items required to support a great year in school.*

[There is a chance that your teacher(s) will have a special request later in the year, such as a water bottle for daily use or items for a project.]

Thank you for paying promptly! The options:

- **Credit card or EFT** at [www.tmlink.org/school-supplies/](http://www.tmlink.org/school-supplies/). (No need to fill out this form.)
- Fill out this form and attach **check or cash** (in envelope). Return to TM Main Office.
  - **Unable to pay \$40?** Please pay what you can. Your student will still benefit fully.
  - **Want to donate** to help cover the full cost of this program? Add an amount below.
