PROGRAM NOTES

Parent/Guardian Responsibilities

By enrolling your child in an Enrichment class, you are responsible for the following:

- Knowing the dates that classes occur, including start and end dates! Check the listings carefully.
- Knowing the drop-off and pickup times for classes and, most importantly, ensuring your child is picked up on time.

Tutoring: If your student is participating in tutoring, remember that tutoring comes first.

Registration

- Please register your student(s) online by starting at <http://tmlink.org/enrichment>. Register for Karate and language classes through the instructors' website listed in the catalog.
- Classes fill on a first-come, first-served basis. Waitlists are processed in the order requests are received with the exception of scholarship spots. See scholarship section for more information.
- You will receive confirmation by email that your child is enrolled in a class. Please do not send your child to class without written confirmation of his/her enrollment.

Inclement Weather/School Closure/Class Cancellation

Morning classes will be canceled if SPS announce a late start due to weather or other concern. Afternoon classes will be canceled if SPS announces an early end to the school day for weather or another concern. There are no refunds when a single session of a class is canceled because the District has altered that day's schedule through a late start or closure. Pro-rated refunds will be given starting with the second instance of a class being canceled during a quarter.

If a class does not enroll sufficiently, it may be canceled. You will be notified and your fees refunded. A class meeting canceled by the instructor will result in a pro-rated refund.

Withdrawal from class

- If you withdraw from a class, you will receive a refund based on the following schedule:
 - Before the first day of class: full refund minus \$10 administrative fee.
 - After the first class but before the second class: 90% refund minus \$10 administrative fee.
 - After the second class: no refund.
- Classes that process registrations through a system outside of the PTA (Karate and languages) may have different cancellation policies.

Getting to and from class

Students are expected to transfer independently to an Enrichment class. Homeroom teachers are given a class list at the beginning of each session, but they are not responsible for delivering students to their Enrichment classes. If you think this may be a challenge for your child, please contact

PAY AS LITTLE AS \$5 (IF YOU ARE ELIGIBLE!)

The PTA's intent is that all TM students have the opportunity to participate in our Enrichment Program.

Scholarships and Financial Aid

Students who are eligible for the Free and Reduced Price Lunch program may enroll in one Enrichment Program class for 10% of the class fee (yes, a \$100 class is reduced to \$10!) by using the **2019WINTERPUPS** code at registration. *Only one reduced-fee class request per qualifying student per session.*

The PTA's ability to grant aid is based on scholarship donations received and by the generosity of vendors and instructors who offer scholarships in their classes. We reserve the right to grant or deny all requests for financial aid. For questions, contact enrichment@tmlink.org.

NOTE: To ensure equal access to popular classes, a limited number of seats are held for scholarship students in each class until the fifth day of registration. On the fifth day of registration, any unclaimed seats held for scholarships are released to all students on a first-come, first-served basis.

enrichment@tmlink.org and we will try to arrange a "student buddy" to assist your child.

Parents are responsible for collecting their children promptly from afternoon classes. There will be no supervision for children after their class ends. If prompt pickup becomes an issue, your student may be removed from the class without refund for remaining classes. No bus transportation can be offered for Enrichment Program classes occurring before and after school.

Behavior at Thurgood Marshall

We have the expectation of respect for teachers/instructors and good behavior during classes. Students are expected to maintain the same behavioral standards that they have during the formal school day. If an instructor identifies a behavior issue, the following steps will be taken:

- At the first incident, the instructor will call parents/guardians regarding student behavior.
- The student will be given one trial class to improve.
- If the disruptive behavior continues, we reserve the right to remove the student from the class without refund for remaining classes. Please discuss enrollment with your child to be sure they want to attend a class.

Snack and Clothing

Each child should bring a small, easy-to-eat snack on class days. Please send your children with clothing appropriate for their classes. Athletics and dance classes require loose-fitting clothes and closed toe rubber-soled shoes. Art can be messy! Please bring an old shirt or a smock.
