

Whatever it takes
Honesty
Empathy
Self-respect
That's what it takes to be a hero

It takes
Happiness
Loyalty
Generosity
That's what it takes to be a hero

It takes
Knowing
What is right
And doing it
That's what it takes to be a hero

It takes
Bravery
To do
Whatever it takes
Whatever it takes to be a hero

Barack Obama
Frida Kahlo
Susan B. Anthony
Those are heroes to look to

Your definition
Of a hero
May be different from mine
So what?
Some people are still heroes

Heroes can still suffer
And help people
And maintain dignity
They are survivors and winners

So
Are you a hero?
Do you have whatever it takes?
