

THURGOOD MARSHALL ELEMENTARY'S

**Black Family Advocacy Support Group (BFASG)
presents...**

**A conversation about
Schoolwide Enrichment Projects
coming to TME!**

**Wednesday, December 9th, 2020
6-7pm**

Stay tuned for the meeting link!

Engage in this conversation with us as we learn and share our opinions about this new opportunity for student enrichment projects.

While the enrichment projects are currently scheduled for 4th and 5th grade students in all TM programs late winter/early spring 2021, as this is a new endeavor, it is crucial to have your voices and input in shaping this work.

The BFASG is meant to be a safe, supportive place for families and students of African and African American descent and allies to voice concerns and offer suggestions to make the school environment more welcoming to black families!

Please e-mail Trinia or Angie at tmbfasgroup@gmail.com to get more information about how you can be involved.
